Arc's Value Village Thrift Stores & Donation Centers Names New District Manager

SAINT PAUL – Arc's Value Village Thrift Stores & Donation Centers has named Scott Giesinger as district manager. Giesinger will work with individual store managers directing the team of 400 volunteers and employees who work together at the four Arc's Value Village stores in Richfield, New Hope, Brooklyn Center and Saint Paul.

Giesinger graduated from the University of North Dakota with a B.A. in Economics and brings a broad range of experience in retail and re-sale management to his new position. He directed store operations at JC Penney Company and was responsible for brand operations at Winmark Corporation, which included new store development, training, merchandising and advertising as director at Once Upon A Child and Plato's Closet. Giesinger resides in Champlin, MN.

Arc's Value Village, nearly 30 years old, has generated more than \$17 million on behalf of Arc and the people it serves, thanks to generous donations from the community. Revenue from the sale of donated items helps fund Arc Greater Twin Cities' programs for children and adults with intellectual and developmental disabilities and their families.
